Commodity may appear without extension, boundary, and/or interiority, and then disappear. The ostensible materiality of every sensate object is catastrophic. But it is the same kind of profusion—the stillness of the serial subject. The look of language is active as another species of seducer.

ROLE PLAYING:

"SURE, GOOD IDEA. I'LL BE YOU,
AND THIS WILL BE ME."

I WILL TRY MY BEST TO
FIGURE OUT WHAT WE'RE
TALKING ABOUT AND DRAW IT
IN LESS THAN FIVE MINUTES.
MAYBE IT'LL BE FUN. MIGHT
FEEL LIKE SEEING THE GHOST
OF A STRANGER, WEARING
YOUR FAVORITE SHIRT, WHILE
PASSING THEM IN TRAFFIC.

IF MY SON PICKS UP,
(SOMETIMES DOES THIS
AS A PRANK. HE'S 19,
V. TALENTED BUT TROUBLED)
HE'LL DO THE DRAWING,
BUT APOLOGIES IN ADVANCE
FOR HIS FOUL LANGUAGE.
