**Art Industry News: Artists Condemn Christoph Büchel’s Trump Border Wall Project + More Must-Read Stories**

Plus, a new survey seeks to promote salary transparency in the art world and a business tycoon renames his Picasso painting.

Hedi Slimane Photographs LA Artists – A suite of black-and-white photos of emerging LA artists, shot by Hedi Slimane, the director and new creative director for Céline, appears in the newest issue of *Garage*. The 13 Los Angeles up-and-comers snapped by Slimane include artists Awol Erizku, Max Hooper Schneider, Martine Syms, Claire Tabouret, and Kandis Williams. See a selection below.
